RENTAL APPLICATION

Note: You must leave a security deposit, a separate \$35 non-refundable application fee per applicant and a completed rental application form in order for us to begin the approval process. We want you to get the apartment you want, so remember – an apartment is not taken off the market until we have a signed lease. The first applicant to be approved AND sign a lease gets the apartment, so please make sure we have all the information needed to get you approved quickly. Please print your information clearly. If you cancel after lease is signed, your deposit will not be refunded and you remain responsible for rent until the apartment is released. THANK YOU FOR RENTING ONE OF OUR HOMES!

Leasing from Alori Properties

Thank you for considering Alori Properties when selecting your new home.

To lease an apartment from Alori Properties:

1. **Fill out an application.**

Leave one application for each adult who will live in the apartment. The application must be filled out completely with all necessary phone numbers. **To qualify**, we need a minimum of 2 years verifiable leasing references OR proof of current home ownership (provide a copy of a mortgage statement or property tax statement).

We **ALSO** need a minimum of 2 years verifiable employment references and current income needs to be at least 2 ½ times the rent amount. ***We must have BOTH of these in order for you to qualify to rent an apartment from Alori Properties.*** Students will need a lease guarantor. The guarantor will be required to provide proof of home ownership and have verifiable income. We cannot accept a guarantor in lieu of requirements for anyone other than students.

2. **Leave a check or money order for your security deposit and a separate check or money order for \$35 application fee.**

The security deposit is 1/2 of the rent amount and is required with your application in order to begin the process. **A separate \$35 non-refundable application fee is also required when you apply.**

The security deposit will be held until you are approved, then will be deposited into our bank. The approval process time depends on how quickly we are able to reach your references. The apartment will **not be taken off the market and held for you** until a lease has been signed.

3. **Sign your lease upon approval.**

No additional funds are needed until the day that you move into your apartment and pay the rent (prorated) for the current month. If you cancel after the lease is signed, your deposit will not be refunded and you remain responsible for rent until the apartment is released.
